

## Nocturnal Devotion "The Life You Gave Me"

Chocking on life and I am chocking on death  
Here alone and I am taking my final breath

You can't see me you don't know me  
Out of view I am dirty one picture in my mind  
I am trapped from the inside

My father, my mother  
No sister, no brother

I don't know I don't see a way out for me  
I don't know I don't see  
I am chocking on the life you gave me

The life you gave me  
The life you gave me drowned

I am chocking on the air  
I am chocking on the dirt

I am chocking on the difference  
And I do not feel the hurt
