(Music and Lyrics by Chris Telkes)

It doesn't matter  
If you're right or wrong  
If you're not like the others  
Then you don't belong  
And if you don't live like they want you to  
There's some re-education awaiting you

And it burns â€¦

You were told not to think that it's best to pray  
The one's with ideas were all led away  
And those who were watching brimmed up with hate  
They were learning the meaning of police-state

And it burnedâ€¦

The village was burning the brightest flame  
The men were all slaughtered in heaven's name  
The women were hanging from the highest trees  
The priests were all praying on skinless knees

And it burnedâ€¦

Reprogrammed  
By the state  
Reprogrammed  
Stripped of hate  
Reprogrammed  
They recreate  
Reprogrammed  
To subjugate

And all the pigs and soldiers sang,  
"Don't blame me, I'm not in control  
Don't blame me I just do what I'm told."
