I close the door of my mind  
Thats the way to refuse your soul  
Before the insanity will crush my brain  
And I will leave you alone

I say Gods will be done  
Thats my own way  
Gods will be done  
I red his call on the wall  
It was right in blood  
His call on the wall  
Device: Redrum

The little ball was rolling near the half open door  
Blood falls in my head  
Blood thirst around me  
Red is what I saw  
Behind the line of normality, theres no safe for me,  
for all  
Daddy wanna cut my head  
I dislike this hell, what the fuck

I say Gods will be done  
Thats my own way  
Gods will be done  
I red his call on the wall  
It was right in blood  
His call on the wall  
Device: Redrum

I need to hang me  
To free myself, to leave this world  
But I hear his call  
A claustrophobic atmosphere  
In this black room of a thousand  
A thousand thoughts

Gods will be done / Gods will be done / Gods will be  
done  
Gods will be done / Gods will be done / Gods will be  
done

Gods will be done / Gods will be done
