There was a race  
A great competition  
Yeah!  
To be the first  
Building destruction  
How much time is left?  
There will be a new test

The doomsday clock will strike again  
U-234 carries the pain  
The doomsday clock will strike again  
The Final Solution

There will be the race  
A free competition  
Yeah!  
To be the first  
For the reconstruction  
How much time is left?  
There will be a new test

The doomsday clock will strike again  
U-234 carries the pain  
The doomsday clock will strike again  
The Final Solution
