[speaking]
for the music

let's dance

move your feet common

don't you wanna dance
i'm tryin to give you a chance
so why you actin' all shy
can't catch me, like that
i'm much too fly

HOT!

[verse]
there's a rumour, listen
that you're checkin' for me
if you wanna be down
Are you scared of me?
tryin' givin you hints
tryin' flirtin with you
even workin' my hips
from side to side
boy your minisings
is it gonna take in?
i can understand why
you keep visitin
don't be anymore
beeing anybody
cause you're movin' to slow, oh why oh why

[hook]
Stop acting silly
you know you want me
don't fight its easy
i move the heasy

[chorus]
boys feel to play, its shockin me but
you're the only one i'm thinkin 'bout
why you wanna keep questenating

better step to me before time runs out
the jam is about to end
you'll never get this chance again
common with the heat, give me a shot
no you better not sleep
better get it while it's hot

countdown 4-3-2-1

HOT!

[verse2]

why you move all around
why you get so nervous
do you think i'm the clan
have you one embarrass
baby just make a move
a little conversation
but you gotta be smooth
allright, allright
don't be breakin my friends
tryna run my steelo
boy i'm proof as a fake
won't you let me show ya
you aint gotta be shy
i'm here waitin for ya
we can kick it tonight
oh right oh right

[hook]

Stop acting silly
you know you want me
don't fight its easy
i move the heasy

[chorus]

what you waitin on?
don't you wanna get down?
what you lookin at? you like?

Comon',
first you get close,
break it down slow,
don't be scared take it there,
give it what you know,
hope you're ready, uh,
to keep it steady,
when you slide,
when we vibe,
when you ride with me, oh,
its such a vivrate thing, uh,
a vivrate thing,
a vivrate thing, oh,
so baby tell me can you hang, uh,
with the vivrate thing, comon
