A fallen angel
A broken arrow
She came for me and eased my troubled mind

Shine a light out
Into the shadows
All the world they made me leave behind

Leave me peace I'm on the side of the angels
And if I die in my dream
Let me live my life
But all lies they have told me
They make me wanna shiver
And I'm lost and I'm lonely
And that's not gonna ease my troubled mind

She wrote it over
A misty morning
Set the sail for all ends blown
She's a siren and I'm a warning
Here to say I never told you so

Leave me peace I'm on the side of the angels
And if I die in my dream
Let me live my life
But all lies they have told me
They make me wanna shiver
And I'm lost and I'm lonely
And that's not gonna ease my troubled mind

Leave me peace I'm on the side of the angels
And if I die in my dream
Let me live my life
But all lies they have told me
They make me wanna shiver
And I'm lost and I'm lonely
And that's not gonna ease my troubled mind

A fallen angel
A broken arrow
She came for me and eased my troubled mind

Shine a light out
Into the shadows
All the world they made me leave behind
