Can't believe that you've gone gone
Darlin' I was so wrong
Feelin' like I do
Can't go on without you
Darlin' now that you've gone gone
I don't want to live on
Don't know what to do
Fats Domino Can't Go On Without You lyrics found on
Can't go on without you
You can tellin' me and tellin' me
Someday tears are cryin'
But I was the foolish one
To let you say goodbye
Sorry now that you've gone gone
I know I was so wrong
Feelin' sad and blue
Can't go on without you
