oh me, oh my - i'm running out of batteries  
i'm hanging from a ladder  
the tears you cry are only meant to flatter me  
this shit don't matter at all  
taking the shots as i fall  
watching the wheel as they go round and round  
serene in the air cos i love you ladyyy

dream on  
is that songbird singing?  
shout it out for me  
shout it out for me  
so come on nowwww

one day at a time  
i'm hiding from a razor blade  
it's hanging in the kitchen  
the kids outside, they've drank up all the lemonade  
the bitch keeps bitching it all

taking the shots as i fall  
watching the wheel as they go round and round  
serene in the air cos i love you ladyyy. I

dream on  
is that songbird singing?  
shout it out for me  
shout it out for me

dream on  
cos it's got no meaning  
shout it out for me  
shout it out for me  
she goes ...

dream on  
is that songbird singing?  
shout it out for me  
shout it out for me  
dream on  
cos it's got no meaning  
shout it out for me

(shout it out for me  
so come on  
shout it out for me  
come on) repeat till fade
