She's got a mouth like a trucker, and a mind like a  
roller coaster  
She's got her finger on the trigger, she's sure-fire  
ready to go  
She's got a body like a model, and a smile that's a  
crowd pleaser  
And if you take more than a minute, she'll be walking  
out on you

But ain't she great?

Yeah! I can't believe I fell for all the lies  
Yeah! Just tell me it's not a big surprise  
Yeah! I can't believe I fell for all the lies  
Yeah! Just tell me it's not a big surprise

She's got another guy, another town, another excuse  
receiver  
She's got a mighty fine way of telling me that I'm the  
one  
She's got an old drop-top that she calls the "little red  
deceiver"  
And then it's pedal-to-the-metal as she drives right out  
of town

But ain't it great?

Yeah! I can't believe I fell for all the lies  
Yeah! Just tell me it's not a big surprise  
Yeah! I can't believe I fell for all the lies  
Yeah! Just tell me it's not a big surprise

I'm so blind, I can see right through every time  
It's not me, it's you  
I'm so blind, I can see right through every time  
It's not me, it's you

She's got another guy, another town, another excuse  
receiver  
A mighty fine way of telling me that I'm the one  
She's got an old drop-top that she calls the "little red

deceiver"

And then it's pedal-to-the-metal as she drives right out  
of town

Yeah! Can't believe I fell for all the lies  
Yeah! Just tell me it's not a big surprise

Yeah! Just tell me it's not a big surprise
