Listen up what's the time said today, I'm gonna speak  
my mind,  
Take me up to the top of the world I wanna see my  
crime,  
Day by day there's a man in a suit who's gonna make  
you pay,  
For the thoughts that you think and the words, they  
wont let you say.

One fine day,  
Gonna leave you all behind,  
It wouldn't be so bad, if I had more time.

Sailin' down the river alone,  
I'll be tryna find my way back home,  
But I don't believe in magic,  
Life is automatic, but I don't mind being on my own,  
No I don't mind being on my own
