Stranded on the Wrong Beach

Falling - I'll see you on my day down  
I'll meet you on the rebound  
Or somewhere in between

Calling out across the airwaves  
Faces that you can't save  
Are calling after me

And oh me oh my! I say so long baby bye bye  
Call me over the road  
Its a long journey baby  
Where its gonna take me  
Just depends on the weight of my load oh no  
Depends on the weight of my load oh no

So long - See you in the next life  
Cos everybody's bin and gone  
There's no-one here but me

And oh me oh my! I say so long! baby bye bye  
Call me one for the road  
Its a long journey baby  
But where its gonna take me  
Just depends on the weight of my load oh no  
Depends on the weight of my load

And oh me oh my! I say so long baby bye bye  
Call me one for the road  
Its a long journey baby  
But where its gonna take me  
Just depends on the weight of my load oh no  
Depends on the weight of my load oh no  
Depends on the weight of my load.....

Drowning  
Sinking in the quicksand  
Come and rescue me.....  
Stranded on the wrong beach  
Come and rescue me
