Take me out tonight  
Where there's music and there's people  
Who are young and alive  
Driving in your car  
I never never want to go home  
Because I haven't got one  
Anymore

Take me out tonight  
Because I want to see people  
And I want to see lights  
Driving in your car  
Oh please don't drop me home  
Because it's not my home  
It's their home  
And I'm welcome no more

And if a double-decker bus  
Crashes into us  
To die by your side  
Such a heavenly way to die  
And if a ten-ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure and the privilege is mine

Take me out tonight  
Oh take me anywhere  
I don't care, I don't care, I don't care  
And in the darkened underpass  
I thought "Oh God, my chance has come at last"  
But then a strange fear gripped me  
And I just couldn't ask

Take me out tonight  
Take me anywhere  
I don't care, I don't care, I don't care  
Just driving in your car  
I never never want to go home  
Because I haven't got one  
Oh, I haven't got one

There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out...
