And the moon will always smile
In my dreams, in my dreams
And the sun will always rise
In my dreams, in my dreams

Don't answer for the reason
Don't answer for the time
We sealed it with a promise
And found it in a crime

Remember all the feelings
Remember all the love
It's burning like a fire
We pray to heaven above

In my dreams

Don't answer for the reason
Don't answer for the time
We sealed it with a promise
And found it in a crime

Remember all the feelings
Remember all the love
It's burning like a fire
We pray to heaven above

In my dreams
In my dreams
