The first time i saw The Descendents, they  
were the fastest band I'd ever seen  
No one in the crowd really cared for them.  
We were waiting for the Alley Cats to play  
After a couple mounths I heard Kabuki Girl  
Rodney on the ROQ late Sunday night  
That was enough for me I hoped a bus  
To Licorice Pizza and bought my all time  
Favorite record  
The next time I went to the Whiskey, it was  
DOA with Millions Of Dead Cops  
The latter band played faster than I could beileve  
But the songs sounded the same and kinda

Sucked  
'Cept John Wayne Was A Nazi, And Joey  
Shithead Was A Drunk  
Then John Macias beat some hippie to a pulp  
'Cause having long hair was a mistake  
The third time I went to the hospital, I needed  
13 stitches in my head  
I managed to catch 6 songs of Ill Respute  
Then some suicidal threw me into a post  
My girlfriend started to cry because we had to leave  
Before DRI played 50 lousy songs  
My blood-stained shirt smelled of Clover  
Cigarettes  
But it sure looked pretty cool after a wash.
