And even if it's easy to be free
What's your definition of freedom?

And who the fuck are you, anyway?
Who the fuck are they? Who the fuck am I to say
What the fuck is really goin' on?

How did the cat get so fat?
Why does the family die?
Do you care why?

'Cause there hasn't been a sign
Of anything gettin' better in the ghetto
People's fed up [Incomprehensible] get up

You point your fuckin' finger
You racist, you bigot
That's not the problem now is it?

It's all about the money political power is takin'
Protecting the rich
Denyin' the poor

Yeah, they love to watch
The war from the White House and I wonder

How can they sleep at night?
How can they sleep at night?

How did the cat get so fat?
How did the cat get so fat?
How did the cat get so fat?
How did the cat get so fat?
