Why do I keep scratching  
Scratching my balls?  
I don't like this feeling  
I don't like it at all

'Cause I got crabs  
I got crabs, I got crabs  
I got those little fuckers biting  
And sucking my blood

There's crab eggs in my bed  
They're in the carpet too  
I'll go down to the store  
Buy A200 shampoo

I got rid of them, I got all of them  
They won't be back  
Wait a second, what is this  
Itching in my crack?

I got crabs  
I got crabs, I got crabs  
I got those little fuckers biting  
And sucking my blood

I got crabs  
I got crabs, I got crabs  
I got those little fuckers biting  
And sucking my blood
