truth

now like a viral infection the GOP developed a vaccine get your shot from your local christian reading room make sure your clothes are blue and neoprene

windows closed, televisions on, talk show radio where everyone agrees the plague is here, but exposure is avoidable turn up mind, relinquish control

question!

citizens questioning leader don't want to set a precedent we're going ask all the questions like what kind of patriot are you? when did you check out Trotsky? what is your major malfunction?!

traitor!

to the lord and creator fucking communist faggot an infidel living among us procreating liberal hippie disgrace yourself and your country why don't you love it or leave it?!

i wasn't thinking of me
i wasn't thinking clearly
my deepest apologies
i wasn't thinking of me

i wasn't thinking!!!

benevolence blinded tolerance indicted why don't you love it or leave it?!
