"Franco Un-American"

I never thought about the universe, it made me feel
small
Never thought about the problems of this planet at all
Global warming, radio-active sites
Imperialistic wrongs and animal rights! no!

Why think of all the bad things when life is so good?
Why help with an 'am' when there's always a 'could'?
Let the whales worry about the poisons in the sea
Outside of california, it's foreign policy

I don't want changes, I have no reactions
Your dilemmas are my distractions

That's no way to go, franco un-american
No way to go, franco un-american
No way to go, franco un-american
No way to go, franco, franco un-american

I never looked around, never second-guessed
Then I read some howard zinn now I'm always
depressed
And now I can't sleep from years of apathy
All because I read a little noam chomsky

I'm eating vegetation, 'cause of fast food nation
I'm wearing a couple of shoes 'cause of globalization
I'm watching michael moore expose the awful truth
I'm listening to public enemy and reagan youth

I see no world peace 'cause of zealous armed forces
I eat no breath-mints 'cause their from de-hoofed
horses
Now I can't believe; what an absolute failure
The president's laughing 'cause we voted for nader

That's no way to go, franco un-american
No way to go, franco un-american
No way to go, franco un-american
Where can we go, franco un-american

I want to move north and be a canadian

Or hang down low with the nice australians
I don't want to be another 'i-don't-care-ican'
What are we gonna do franco, franco un-american
