I sit in my easy chair
I've got so much time to spare
Because I know in the future day
I'll have my lion's share

There's nothing that I like better
Than getting something for nothing
Some will tell you that nothing's for free
Obviously they've not met me

I live the lifestyle they speak of so highly
I live the life, the life O'Riley

You can have your cake and eat it too
And there's lots of free lunch for you
You think you're being cheated, you don't have a clue
You don't know what to do

I sit in my easy chair
I've got so much time to spare
Because I know in the future day
I'll have my lion's share

I live the lifestyle they speak of so highly
I live the life, the life O'Riley
