Excuses for our money is that religion
One more dollar for what Jesus has given
Hell is free but you might have to pay for Heaven
One more dollar is that religion

Why? Why do you give all your money away, why
What makes you think that you have to pay
Because if God is there, there's no admission
No need to give to be forgiven

Live your life with decision
Live your life not religion

If God is there, there's no admission
No need to give to be forgiven

Live your life with decision
Live your life not religion

Live your life with decision
Live your life not religion

Live your life
Live your life

Live your life with decision
Live your life
Live your life not religion
Live your life

Live your life with decision
Live your life not religion

Live your life with decision
Live your life not religion

Live your life with decision
Live your life not religion

Live your life with decision
Live your life
