All of me, why not take all
Can't you see I'm no good without you?
Take these arms, I want to lose them
Take these lips, I'll never use them
Your goodbye left me with eyes
How can I go on to without you?
You took the best so why not take the rest?
Why not take all of me?

All of me, why not take all of me

Can't you see I'm no good without you?
Take these arms, I want to lose them
Take these lips, I'll never use them
Your goodbye left me with eyes to cry
How can I go on to without
You took a part that once was my hart.
Why not take all of me?
