"Hey mister, can you spare some change?"
"Why, why? What do you want from me, are you hungry?"
"Uh, no, I'm not hungry. I was just wondering, if you could spare a quarter or a dime."
"Uh, the time? it's about 3:30."
"Oh, no, not the time. I, I need a nickel or a dollar, my car's broke..."

Screamin' for change! Screamin' for change!
Screamin', screamin' for change!
Screamin' for change! Screamin' for change!
Screamin', screamin' for change!

Lady, can you spare any change?
"Hey, lady, can you spare a quarter?"
I said lady, can you spare any change?
"Get that away from me, your filthy! go away!"
I said lady, can you spare any change?
"Well then, how about giving me one of those cigarettes?"
I said lady, can you spare any change,
"No!"
Change.
"No!"
Change, change, change!
"Nooooo!"

Screamin' for change! Screamin', screamin'!
Screamin' for change! Screamin' for change!
Screamin' for change! Screamin' for change!
Screamin' for change!
