Living in bad faith. Negation, negates.  
His facticity, not very likely

He was a teenage existentialist, nah-a  
He understands Being & Nothingness, sorta  
He has a poster of Simone de Beauvoir  
He calls a bedroom a boudoir  
Wonders how fame and fortune occur when  
The world is so absurd

Summer syllabus  
Metamorphosis  
Crime And Punishment  
Wall and No Exit

He was a teenage existentialist, nah-a  
He trained a pet cockroach he named 'Kafka'  
He flunks Spanish class, he gets buried in French  
He thinks predestined, it makes no sense  
Entitles his final exam  
'I think, therefore I am'

He was a teenage existentialist, nah-a  
He was a teenage existentialist, nah-a  
He was a teenage neo-nihilist  
He likes to fuck the poor and blow the rich  
He had a crush on Ivan Ilych  
Does he really exist?
