"The KKK Took My Baby Away"

This song is written by Joey Ramone

She went away for the holidays said she's
Going to L.A. but she never got there
She never got there, she never got there, they say

She went away for the holidays said she's
Going to L.A. but she never got there
She never got there, she never got there, they say

The KKK took my baby away they took her away, uh-huh
Away from me The KKK took my baby away
They took her away away from me

Now I don't know where my baby can be they
Took her away from me They took her away from me
I don't know where my baby can be They took
Her away from mr They took her away from me

Ring me, ring me, ring me up the President
And finf out where my baby went
Ring me, ring me, ring me up the FBI and find
Out if baby's alive yeah, yeah, yeah

O-o-o-o-o-o O-o-o-o-o-o
She went away for holidays She went away for holidays

The KKK took my baby away The KKK took my baby
away

They took my girl they took my baby away

Yeah, that's fucking right
