With our ass in the air and our heads in the ground  
There's no sense of despair without sight, without  
sound  
We hold our ears and shut our eyes  
Distant screams morph into lullabies  
Ah, we beat indifferent drum, ah, we pound it till we're  
numb, ah

We validate, rationalize, corroborate each others lives  
Pat my back and I'll pat yours, benevolent  
conquistadors  
We piss down throats, shit in cupped hands  
Wipe our asses with all foreign flags  
Ah, we beat indifferent drum, ah, we pound it till we're  
numb, ah

20 feet high, 2 feet thick barbed wire, razor blades  
The wall was built to keep them out while keeping us in  
goose step parades  
We don't questions what we've become  
We march to the beat of the same indifferent drum  
Ah, we beat it till we're numb, ah, we beat it till we're  
numb, ah  
[Incomprehensible]
