"Wolves In Wolves' Clothing"

Visit "[Wolves In Wolves' Clothing](#)" on MotoLyrics.com

We are Rome, Aztec Mexico, Easter Island paradigm
We are followers of Jimmy Jones, cutting in the kool-aid
line

We are Animal Farm Pigs, we are a Terry Gilliam film
We are fear Oligarchy, we are wolves in wolves'
clothing, we are this planet's kidney stones

In the process of getting passed, metamorphosis from
first to last
A system breaking down beyond repairs
A product of three million millionaires and 100 million
easy marks

We are Marie Antoinette, we are Joseph McCarthy

We've finally become the divided states
A nation built on freedoms, fears, and hates, the
denotaion of Irony

We all want a hollywood end, but we're getting a
foreign one
The script has already been penned, and titled, "the
epitaph of a drowning nation"
