I feel your skin
Up my hole
I feel your dick
On my mole
I want your balls
In my gob
I want my fanny
On your boob

(CHORUS)

So fuck me now
Fuck me until I get all high
And you rip me open
Touch me now
Touch me 'til I wake up
And realise you're gay

I'm horny horny horny
And I want a quickie
Your arse is corny
And I like your dickie
You squirt your spunk
I drink your gunk
And we share disease together

(CHORUS)
