Machinery works and keep turning Like a ball on the ground While UÂ'r watching the Tv on Sunday UÂ'r loosing another sound Thoughts are what itÂ's feedinÂ' Magic window is on Dem a tryng to blow up fire dangerous addiction Living life in Technicolor All dem want U believe But the kick start is played (We canÂ't stay within the bounds) Rit: What game U gonna play When the spark is firing How can I respect U If U breaks the rules again **Different colors** But the picture (question) is still the same Who is the enemy to be rocked While the confusion makes the rules And thereÂ's nowhere to turn Got to know what can we trust in ever know what youÂ're running to? Bridge: Tricky troubles always Make me wonder Rational move in search of Get up in the mood, we can find it ItÂ's time to stop and ceck it out It wear a mask and makes itsÂ' play ThereÂ's another change for dignity!
