I'm turning all sideways,
Can't understand these days,
What I think, what I feel,
It's got control of me,
What I feel, what I am,
It's taking over me,
This is what, this is how,
This is the way it is,
This is how it is,

I'm inside, I'm outside,
I can not take this anymore,
So far away,

It's like I don't belong,
It's so hard to be strong,
What I think, what I feel,
It's got control of me,
What I feel, what I am,
It's taking over me,
This is what, this is how,
This is the way it is,
This is how it is, it's always,

So far away, cause we don't know what to say,
So far away,
I'm inside, I'm outside,
I can not take this anymore,

(Bridge)

So far away, cause we don't know what to say,
I'm inside, I'm outside,
I can not take this anymore,
So far away,
So far away.
