

Noise Therapy "In My World"

Visit "[In My World](#)" on MotoLyrics.com

It all started,
It seems like yesterday,
How'd i get this fucked up anyway,
Can't you see what this has done to me,
Might as well just throw away the key,

Couse i'm gone,
When it's nothing new to me,
Where do we go from here,

Well there's nothing in my world,
Can't get in my world anyway,

Sit around and stare at the walls all day,
Talk to myself can i walk away,
Would you like to see what's inside me,
What would you think if you were like me,

Couse i'm gone,
And it's nothing new to me,
Where do we go from here,

Well there's nothing in my world,
Can't get in my world anyway,
Well there's nothing in my world,
Can't get in my world anyway,

In my way,
In my way,
There is nothing, nothing,
There is nothing, nothing,
In my way,
There is nothing, nothing,
There is nothing, nothing,

Couse i'm gone,
And it's nothing new to me,
Where do we go from here,

Well there's nothing in my world now,
Can't get in my world anyway,
Where do we go from here,

Well there's nothing in my world now,
Can't get in my world anyway
