Why can't you take what your giving,
And give it to me,
Why can't you take what your giving,
And give it away,
Now that you waited to get it,
You hide it from me,
Now that you waited to get it,
You throw it away,
You throw it away,
Throw it away,

Now that you got it,
Now take it and keep it from me,
Now that you got it,
Now take it and keep it away,
Now that you've had it you need it,
It gets in the way,
Now that you've had it, you need it,
Get out of the way, get out of my way,
Get away,
You've got a lot to learn,
From yourself,
You've got a lot to learn,
You've got a lot to learn,
We're the kings, everything,
Been done before way faster,

Come with me,
And stay for awile,
Come and see,
What's here in my mind,
You've got a lot to learn,
Take your time,
It's lost on me,
You've got a lot to learn,
Take your time,
You've got a lot to learn,

You've got a lot to learn,
From yourself,
You've got a lot to learn,
You've got a lot to learn,

We're the kings, everything,
Been done before way faster,

You've got a lot to learn,
From yourself,
You've got a lot to learn,
You've got a lot to learn,
We're the kings, everything,
Been done before way faster
