Whatcha drinkin'
Rum or whisky
Now wont you have a...
Double with me
I'm sorry I'm a little late
I got your message by the way
I'm calling in sick today
So let's go out for old time sake

I'll never forget you
They say we'd never make it
My sweet joy, always remember me

We were mischievous
And you were always wearing black
I was so serious
You know my boyfriend's mother
Nearly had a heart attack
I'm sorry I'm a little late
You know the stripes on a tiger
Are hard to change
And notice, world feels like an empty stage
I wouldn't change a thing
So I'm glad your back again

I'll never forget you
They say we'd never make it
My sweet joy, always remember me
I'll never forget you
At times we couldn't make it all
My joy, always remember me

We just got swallowed up
You know I didn't forget you
We just got swallowed up

We just got swallowed up
But you know I didn't forget you
We just got swallowed up
By the whole damn world

What you're thinking
Did you miss me
I've borrowed your silver boots
Now if you just let me
Give them back to you

I'll never forget you
They say we'd never make it
My sweet joy, always remember me
I'll never forget you
Although at times we couldn't change it all
My joy, always remember me

Don't you know that you're my joy
Always remember me

Don't you know that you're my joy
Always remember me
