Don't upset the rhythm though  
Don't upset the rhythm  
Don't upset the rhythm though  
Don't upset the rhythm

The time is right  
The sun is sleeping in the sky  
Free yo' mind  
You never know what you might find

What's your vice?  
You know we won't compromise  
So let me show you  
Something super beautiful

Let's rock the boat  
The magic is unstoppable  
For on the floor  
It's the rhythm you've been waiting for

Pure delight  
Kick, snare, hat ride  
It's all up to you  
And whatever you do  
Don't cut into my action  
Four, three, two, one

Go baby, go baby go  
Don't upset the rhythm though  
Go baby, go baby go  
Don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm, don't you dare  
Go baby, go baby go  
Don't upset the rhythm

Skin and bone  
And a baton microphone  
Can't get home  
But you can use my dog and bone

We'll crank that stereo  
Even when the speakers blow  
DIY  
Just meet me up in paradise

Whatever it takes  
To carry you away  
It all comes down to actions  
Four, three, two, one

Go baby, go baby go  
Don't upset the rhythm though  
Go baby, go baby go  
Don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm, don't you dare  
Go baby, go baby go  
Don't upset the rhythm

Go baby, go baby go  
Go baby, go baby go  
This time I like it  
Go baby, go baby go  
Now don't you dare  
Don't upset the rhythm

Don't upset the rhythm though  
Don't upset the rhythm  
Don't upset the rhythm, don't you dare  
I told you, don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm though  
Go baby, go baby go  
Don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm, don't you dare  
Don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm though  
Go baby, go baby go

Don't upset the rhythm  
Go baby, go baby go  
Don't upset the rhythm, don't you dare

Hey  
Go baby, go baby go

Don't upset the rhythm though  
Go baby, go baby go  
Don't upset the rhythm

Go baby, go baby go  
Don't upset the rhythm, don't you dare  
Don't upset the rhythm
