You say it's love, I say it's now  
I keep on dancing around and about  
Will you leave your friends, cos I can't pretend  
I saw you in the crowd with the back of my eye

Well won't you, hail me a taxi  
It's raining outside  
Take me to a place where hearts collide, 'cos

I'm tired of this chase  
Look at my face  
Hey boy, playboy  
I'm tired of here  
I just want you near, so  
Let's go  
Let's go  
Let's play  
Cos we ain't got a care in the world  
There's nothing to be scared of  
We ain't got a care in the world  
There's nothing to be scared of

I swallow my pride  
I've taken my time, honey  
You don't want to know what's going  
on in my mind

Well ain't it bizarre  
I'm gonna make you feel like a star  
and heaven won't be too far

Stop.  
Wait a minute just for me  
Tell me lover what's it gonna be, cos

I'm tired of this chase  
Look at my face  
Hey boy, playboy  
I'm tired of here  
I just want you near, so  
Let's go  
Let's go

Let's play  
We ain't got a care in the world  
There's nothing to be scared of  
Cos we ain't got a care in the world  
Nothing to be scared of

Na na na no oh oh oh oh  
Na na na no oh oh oh oh  
Na na na no oh oh oh oh  
(Na na na no oh oh oh oh)  
Wah, let's play!

Baby I'm tired of this chase  
Look at my face  
Hey boy, playboy  
I'm tired of here  
I just want you near, so  
Let's go  
Let's go  
I wanna play  
Cos we ain't got a care in the world  
There's nothing to be scared of (Let's play)  
We ain't got a care in the world  
Nothing to be scared of

??Trashed out of my mind??  
I can't seem to find a way out  
A way out

Baby  
I'm going under  
So give me your number  
But let's go  
It's high time you were mine  
Let's play  
Let's play  
High time you were mine
