Hot chilli woman
Makes me weak at the knees
Yeah yeah yeah yeah

She make me sweat
Like it's a hundred degrees
Yeah yeah yeah yeah

Hot chilli woman
Got what it takes
Yeah yeah yeah yeah

I'm so hungry
I want you on my plate
Yeah yeah yeah yeah

I pick you up
We go cook in the night
I lay you down and put
Cream on your pie
Your mumma won't like it
Daddy won't like it
Hot chilli woman
Keep it hot for me

Hot chilli woman
Won't you burn for me
Hot chilli woman
B B B Burn for me
Hot chilli woman
Well I'm in ecstasy
Hey hey hey
Hot chilli woman
OH

Hot chilli woman
Make me feel so high
Yeah yeah yeah yeah

That kind of woman
Brings a tear to my eye

Yeah yeah yeah yeah

Now I know
Where I want to be
Hot chilli woman
I'm in ecstasy
Your mumma won't like it
Daddy won't like it
Hot chilli woman

Hot chilli woman
Won't you burn for me
Hot chilli woman
B B B Burn for me
Hot chilli woman
Cause I'm in ecstasy
Yeah yeah yeah yeah yeah yeah yeah
Hot chilli woman

Woo ooh hoo

She'll take you higher
She burns like fire
She's alright tonight

Hot chilli woman
Won't you burn for me
Hot chilli woman
B B B Burn for me
Hot chilli woman
Cause I'm in ecstasy
Hot chilli woman
Cause I'm in ecstasy
