Tell me why you don't understand  
Why mainstream people hide their heads in the sand  
Tell me why you choose not to see  
All these people livin' in misery

It's a Kruel world

Don't be frightened by the shadow on the ground  
Just do your best to keep it comin' back around  
Don't be frightened by the shadow on the ground  
Just do your best to keep it comin' back around

It's a Kruel World

If he hurts you, then trust me,  
I'll do my best to see if  
I can set you free  
If he hurts you, then trust me,  
I'll do my best to see if  
I can set you free

It's all true there's no escapin'

It's a Kruel World that we live in  
It's a Kruel World  
It's all true there's no escapin'
