[Tammin Sursok:]

Sometimes, It's hard to see what's been there all along

[Nolan Gerard Funk:]

Sometimes we're sure of everything, until we find out that we're all wrong

[BOTH]

Now we're standing here, face to face,

[Tammin Sursok:]

Nothing feels the same

[BOTH]

For the first time, I realize something I didn't see before.

For the first time, looking in your eyes, suddenly there's so much more, something we both feel inside for the first time.

[Tammin Sursok:]

How did we ever end up here? I don't know, but it feels so right.

[Nolan Gerard Funk:]

The last thing, I ever expected, is happening it's you and I.  
There's something real, I can't explain, and nothing feels the same.

[BOTH]

For the first time, I realize, something I didn't see before.

For the first time, looking in your eyes, suddenly there's so much more.

Something we both feel inside for the first time.

[Nolan Gerard Funk:]

I can't find the words,

[BOTH]

For how I feel about you, just want to be around you now,

[Tammin Sursok:]

I never imagined,

[BOTH]

That someone could make me feel the way you do.

For the first time, I realize, something I didn't see before,

For the first time, looking in your eyes, suddenly there's so much more.

Something we both feel inside, for the first time.

[Tammin Sursok:]

Oohhh

[BOTH]

For the first time.
