yeah, yeah
everybody now

yeah, yeah

oh

fit in, or stand out, not a hard decision

just do what you like (everybody does a little somethin')

right hear, right now

won't let inhibitions

hold you back this time

cause we don't need no invitation to break all the rules

Chorus:

i say yeah, gotta do what you wanna do, gotta say what you wanna say, just do it your own way

i say yeah, gotta do what you wanna do, take a chance that you wanna take, just do it your own

way

yeah, yeah

everybody say

yeah, yeah

they say inside tell me why should i

thats so boring and typical (everybody want to try somethin')

break free one time why be just another when you can be an original

cause we don't need no invitation to break all the rules

Chorus:

i say yeah, gotta do what you wanna do, gotta say what you wanna say, just do it your own way

i say yeah, gotta do what you wanna do, take a chance that you wanna take, just do it your own

way

now's the time to work it out

to show the world what your all about

let go cause you no you're ready to everybody now the choice is up to you

oh

yeah, yeah, yeah

oh we don't need no invitation to break all the rules

Chorus:

i say yeah, gotta do what you wanna do, gotta say what you wanna say, just do it your own way

i say yeah, gotta do what you wanna do, take a chance that you wanna take, just do it your own

way

i say yeah, gotta do what you wanna do, gotta say what you wanna say, just do it your own way

i say yeah, gotta do what you wanna do, take a chance that you wanna take, just do it your own

way
