"Feel Good"

I don't know you very well,
I'll be the first to admit.
I don't recall the situation,
I just remember what I felt.

All you do is make
Me feel good
In a way I've never felt before.
Now I can't stop thinking of you
And I have a funny feeling
That you feel the same way too.

It's almost too good
To be true.
It's something
Straight out of Hollywood.
It's only making sense inside me
And I don't know what to make of it.

All you do is make
Me feel good
In a way I've never felt before.
Now I can't stop thinking of you.
I'm not dancing by myself but
I've actually been singing in the rain.
