If I say no,  
If I resist, if I don't give in to this  
Would it be a lesson or a loss?

Suddenly I know what it's about  
Thoughts come in, and words come out

Suddenly I'm not killing time, it's all over now,  
You get me, you get me

Like a beautiful song you heard a million times  
Like the rainbow's end, you can never find,  
You get me, you get me

If I say yes,  
If I let go and face the consequence I'll know  
Will it lead to living with regret ?

Suddenly the walls are coming down  
I won't be the same when I come around

Suddenly I am understood, it's all over now,  
you get me, you get me

Like a crimson sunset where the sky meets sea  
Like no one alive but lives in my dreams,

You get me, you get me  
You get me, you get me

Like a beautiful song you heard a million times  
Like the rainbow's end you can never find

It's hard to ignore  
And undeniable truth  
This feeling inside, when I look at you,  
You get me, you get me.
