Yakalelo!

Yakalelo, yakalelo x8

Yakalelo mi tierra e mi sol  
Espirito de Oanza i tiempo  
Chico e chica jogando bailando  
Libres, felices como el viento  
Hoy es tu corazon que se despierta  
A las palabras i melodias  
Vivimos todos abajo del cielo  
Libres, felices como el viento

You live the truth  
You speak the truth  
It's simple  
But how many suckers  
Out there end up getting  
Busted like a pimple  
On the face of humanity  
Your vanity is plain to see  
Because you be  
Wheeling and dealing and  
Stealing and illing and  
Cleaning up the blood  
From the killing  
Where's your family  
We are going to educate  
Them all to stand tall  
Walk tall, talk tall  
Not fall, how many cultures  
Can I ask you  
To respect you all

Yakalelo, yakalelo x8

Yakalelo! x4

In America we are blowing up  
In Europe yo we are blowing up  
In Africa we are blowing up  
Everywhere we go

Yakalelo mi tierra e mi sol  
Espirito de Oanza i tiempo  
Chico e chica jogando bailando  
Libres, felices como el viento

Blowing up in Paris  
I'm the fairest mirror mirror  
I stand tall one ninety  
I be hurting them  
It's like a fable how  
I'm able to rock around the  
World grab a girl  
For those who didn't know  
My name is Earl

Yakalelo, yakalelo x8

Yakalelo! x4

Yakalelo!  
Yakalelo!

Yakalelo, yakalelo x16
