Kneel to the God that is here to betray you  
Glorification and sanctification of all awaits  
The holy fiction known to man as eternal life  
Consecrated lambs eager to inhale the lies.

Manifestation of black, ceremony of doom  
Manifestation of black, worship and die.

The order of the new cult stand united as one  
Obey and welcome the last and final command  
No repent when the blade cuts through the dirt  
Soldiers from Hell soaking in enemies filth.

Manifestation of black, ceremony of doom  
[ | ]  
Manifestation of black, worship and die.

Decapitation of the one that owns thee  
Your mind and soul skullfucked and torn  
Now let us hear what you have to say  
When the venomous vultures are here to slay.

No more life.

There's no flesh and blood on the other side  
Endless flames of plagues and disgust  
Mighty insects rumbles in rapture  
Kingdom gone through a blaze from below.

Manifestation of black, ceremony of doom  
Manifestation of black, worship the end.
