Twilight ã- Sombre eyes gave through the mist
Darkness ã- Vicious glance lurks in the shadows
So divine ã- Enchanted by the light with power intense
Howlings ã- Gather my legions of the night

Hunger ã- With furious rage they search for pray
Foaming ã- Sharp edged fangs cutting into throats
Pools of blood ã- Cover the ground with bowels and
flesh
Expire ã- Another life will soon fade away

Twilight ã- Darkness Divine ã- Howlings
Hunger ã- Foaming Blood ã- Expire

Kill! Kill! Kill!

Servants of the moonlight

Dominion ã- Once again the hunger grow
Hunting ã- the only marks is paws in the snow
Starvation ã- Gorgeous legions run with the moon
Devote them or die, youã'll hear them soon
Soonã...

Servants of the moonlightã...
