There I was, nailed to the stake, screaming  
The stench of burning flesh filled the air  
I spread my wings to reach for the sky  
For salvation, a warlock is disguise

I'll meet my fate, above the stars I'll dwell  
I'll meet my fate, the utter universal hell

Fly through dark horizons  
Desperately searching for the light  
A passage approaches before me  
I'm trembling with right

I've entered the passage of pain  
Where souls cry out in vain  
The light of salvation seek  
No hope for redemption I see

Wrapped around in darkness and suffocating clouds  
Benighted creatures chanting, trial of the damned  
Predict the book of life, unforgivable sins on earth  
In despair I faced my sentence, the gauntlet of pain

Emerging beasts, I flee towards the saving light  
Jaws of venomous fangs cutting deep into my soul  
Winged assassins charging with claws of sharpest steel  
Rip my flesh to shreds, to the superior one I kneel

Everlasting torment ã- Neverending pain  
Everlasting torment ã- Neverendingã...ã..... pain

Fettered by spells of fire, cosmic spirits desire  
Uncanned torture awaits me, as the flames reaches higher  
I'll meet my fateã...ã...ã...ã...ã....in hell

I've entered the passage of pain  
Where souls cry out in vain  
The light of salvation I seek  
No hope for redemption I see

Dragged through eternal fire and walls of poisoned  
thorns  
Sadistic ghouls of Hades longing for my soul  
Screaming, pleading, I'm skinned alive  
Burning, screaming, I'm consumed by fire  
They rip my soul to shreds, can't endure no more  
Prepare the fest, Oh Noooooo!

There I was lying on the altar of pain  
And as the last piece of my flesh was swallowed by the  
demons  
I realized that I was the sufferer, and that I have finally  
paid  
For my malicious deeds
