Awwwwwwwwwwwwwwwwwwwwwwwwwwwwwwwww shit!
Eat it out, eat it out, no doubt, no doubt
Check it out, yo
The year 2000 begins a new age for the cop killers,
know what I'm sayin?
The saga of the I'll Bill continues
The flavor's Non Phixion y'all - get wit it
Check it out, check it out

[Verse One]

Check out this new I'll Bill gimmick that's splendid
Since you're down with other shit let's see if you're
down wit this
It's about strictly tryin to kill a cop
Once you get the hang of it, after you blast one you
steal his glock
First of all you need a fat bag of dust plus the biscuit
Any local store sells the shit, friend
Purchase a milli', not that bitch Millie Jackson silly stunt
I'm talkin about the nine millimeter gun
Pick up the gat, scratch the serial numbers off
No fingerprints, surgical ones are my gloves of choice
All of these other cop killers be thinkin guns are toys
And when these cats get caught, they snitch on all they
boys
I kill a cop on a solo mission; without a pair of gloves
Shot him in the face with a stolen biscuit
Then wiped my fingerprints off real careful
If you don't think you ready yet dog, just let the song
prepare you

That's how you kill a cop (*repeat 6X*)
Let's all kill a cop, and get locked up, what

That's how you kill a cop -- peace to Necro
That's how you kill a cop -- peace to Necro
That's how you kill a cop (*repeat 4X*)
Let's all kill a cop, and get locked up

[Verse Two]

Yeahhhh! The second paragraph, might make you

laugh

When a cat try to kill a cop and catch a plunger in the
ass

That's when you know you got to take the gun from him
Cause you bout to get snubbed next, and you hyped
up, so fuck runnin

And now the real fun begins son

You kill these ten cops, the best part, you walk away
with ten guns

Now you the one that's takin gats from pigs

Imagine one gang, consistin of the Bloods, Crips and
Latin Kings

That's when you start to realize what the police is
Government funded gang-bangin thugs; that's what
beast is

They say I'm evil, I'm the most righteous

Run up in precincts with assault rifles; kill police and
throw bibles

Walked out the precinct leavin no survivors

Half his decapitated wig splattered across the precinct
driveway

The watts was stuffed up his body, jerk and gyrate

Shoot him ten more times, then I merc off on the
highway

That's how you kill a cop (*repeat 6X*)

Let's all kill a cop, and get locked up, what

That's how you kill a cop (*repeat 6X*)

Let's all kill a cop, and get locked up

[Verse Three]

Yeahhhh! Last but not least, I'll Bill like to say peace
To all the cop killers, from the Tri-State to the Middle
East

And gimme some dust when I kick the bucket
Pistol or no pistol, when high I'm the wrong to be
fucked with

So everybody put they gun up in the air

Cock it back and lick a shot like you just don't care

SO - PUMP UP THE VOLUME!! Screamin out, "Fuck
cops!"

I'm out - peace to my pops, I'm off to the dust spots

Yeah, I'll Bill's in the house

Yeah, Goretex in the house

Yo, peace to my motherfuckin fam Non-Phixion

Yo, I'm out

Yo Necro, turn that shit off, man

TURN THAT FUCKIN SHIT OFF!!!
