Come with me, I'll show the palace  
Where darkness rules and time stands still  
I'll show you everything there is to see  
Just follow me, let your mind unfold

A left hand path, through the woods  
Now prepare for a mental flood  
Intensive evil possesses your mind  
Attracted to death, to spill the blood

Hail the sons of darkness' whores  
Sacrificed to the haunted domains

Woods of pagan, obscure rites

Hides the power, the twisted lights  
Through all times kept clandestine  
The root of evil so divine

Now you've seen the sacred place  
The offerings for our race  
Now I'll tear your eyes out blind  
You will never more this path find

Hail the sons of darkness' whores  
Sacrificed to the haunted domains

Bow to your fate  
Dark force of hate
