I met him in November
In the nick of time he came
He told me I would never have to worry again
My troubles would be over
Life continues on it's plan
He strangely disappeared, not I'm alone again
Take my advice and don't wait

(Don't wait until it happens to ya)
Make sure you're all he's thinking of
(Don't let his sweetness blur your vision)
Unless established first is love

He said he'd never leave me
Had many plans for us to share
He said that if I needed him, he'd always be there
(So crucial) Things are looking crucial
(So crucial) Nothing but dark clouds in the sky
He's not even around to say everything's alright
Take my advice and don't wait

(Don't wait until it happens to ya) oh, just make sure
(Make sure you're all he's thinking of) you're all he's
thinking of
(Don't let his sweetness blur your vision) don't let his
sweetness
Blur your vision
(Unless established first is love) blur your vision,
please don't wait
(Don't wait until it happens to ya) you got to make sure
(Make sure you're all he's thinking of) now, now you're
all, you're all,
You're all he's thinking of
(Don't let his sweetness blur your vision) hey yeah
(Unless established first is love)

Got to find it (tender lover)
Like no other (like no other)
Yeah! (that sticks with you like a brother)
So take my advice, my advice

(So crucial) Oh!

(So crucial) ba-da-bop, don't wait
(So crucial) ba-da-bop, don't wait
(So crucial) ba-da-bop, don't wait

Got to find it (tender lover)
Like no other (like no other)
That sticks with you (that sticks with you like a brother)
So take my advice, my advice

(Don't wait until it happens to ya) please don't wait
(Make sure you're all he's thinking of)
(Don't let his sweetness blur your vision) don't let his
sweetness
Blur your vision, blur your vision
(Unless established first is love)
(Don't wait until it happens to ya) ba-da-bop, don't wait
(Make sure you're all he's thinking of) ba-da-bop, don't
wait
(Don't let his sweetness blur your vision) ba-da-bop,
don't wait
(Unless established first is love)
(Don't wait until it happens to ya) oh, just make sure
(Make sure you're all he's thinking of) you're all he's
thinking of, thinking of
(Don't let his sweetness blur your vision) got to make
sure
(Unless established first is love)

So take my advice, my advice.
