Thinking of you
Brings a smile to my face
Any time, any place I am
And it's the truth
How you take control of emotions
I never knew I had

I'm overjoyed

Of how you're making me feel
I'm overjoyed

Because this time it's real
I'm overjoyed you see
This I can't ignore

Because I'm overjoyed over you
Over you
I'm overjoyed over you
Over you

Each day with you
Is an adventure into paradise, you see
I found something new
Each time I look into your eyes, baby

I'm overjoyed

Of how you're making me feel
I'm overjoyed

Because this time it's real
I'm overjoyed you see
This I can't ignore

Because I'm overjoyed over you
Over you
I'm overjoyed over you
Over you

(I'm overjoyed) Over you, baby
(I'm overjoyed) I'm overjoyed

(I'm overjoyed, you see
This I can't ignore

Because I'm overjoyed over you

And I'll never go away
I'll be here to stay
I'll be right here by your side
I'll never let you down
May our love never die
Cause I'm overjoyed

How you make me feel
Because this time it's real
This I can't ignore, baby

(I'm overjoyed) I'm overjoyed, baby
(I'm overjoyed) I'm overjoyed, baby
(I'm overjoyed) I'm overjoyed
This I can't ignore

Because I'm overjoyed over you
You know I love the way
That you make me feel inside
And you'll always be the only one
This I can't ignore
Because I'm overjoyed over you

I'm overjoyed

Of how you're making me feel
I'm overjoyed

Because this time it's real
I'm overjoyed you see
This I can't ignore

Because I'm overjoyed over you
Over you
I'm overjoyed over you
Over you

I'm overjoyed about it
Gonna tell the world about it
Hey, even scream and shout it
I'm overjoyed, baby...
