Love sign {fade in}  
Love sign (Get up)  
Love sign (Get up)

Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)

#### CHORUS:

If U're sick of evil knocking on your door  
Throw up the love sign once and 4 ever more (2 signs  
of the times)  
If U'd rather make love and have a little fun  
Throw up the love sign everybody and not the gun  
(Time is passing, passing is time)

In a chariot of red and gold  
The cool, fuzzy voice said "Come save your soul"  
Before the fear of rejection reared its head  
He stood before the masses and calmly said

#### CHORUS

In the day of where and why we all belong  
Don't nobody wanna hear a silly love song  
And if they did then we would sing it on the news  
While U're aiming your gun at me and I'm aiming back  
at U

#### CHORUS

Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)  
Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)

If U only had one year left 2 live (Get up)  
What good is the time U spend if U got no love 2 give?  
(Get up)  
Let's all get up off the front (get up off the front) and  
find a cause 2 back (cause 2 back)  
Then we could teach the babies replications of the act,

of the act

If U're sick of evil knocking on your door

(Sick of evil knockin', yeah)

Throw up the love sign once and 4ever more (2 signs  
of the times)

(Then ev..everybody love)

If U'd rather make love and have a little fun

(We can have a little fun)

Throw up the love sign everybody and not the gun

(Time is passing, passing is time)

(Everybody, oh yeah)
