[CHORUS]

Why should I cry  
Why should I cry, baby, for you  
Why should I cry  
Why should I cry, baby, for you

A feeling inside  
Burning my  
I was

Spending my days  
Waiting for you in vain  
All I got was pain  
All brokenhearted  
And  
You don't feel the same

[Repeat CHORUS]

I had enough?  
Your love is crazy  
You seem to think I couldn't live  
I maybe

Dancing  
Now who's in control  
I have had to  
But you're like a shadow  
That hasn't been nice  
Willing to

[Repeat CHORUS]

Your love  
Why should I cry for you  
Tell me, am I crazy, is it me  
Are you to see  
Tell me why, tell me why, tell me why can't it be  
Like I want it to be

[Repeat CHORUS]

I don't wanna, I don't wanna  
I don't wanna, oh no, cry baby for you  
Like you do

Are you lonely, are you want me  
Are you blue  
Are you burning, are you learning  
You do

Why should I cry  
Oh woah

[FADE]
